

Jennifer Goertzen

Jennifer completed her certificate in Occupational Health and Safety from Ryerson University in 2014, and attained her CRSP designation in 2016.

She joined Ward and Uptigrove in 2018 as a Health and Safety Specialist, and brings experience from the construction, surface mining, retail and automotive manufacturing industries, as well as municipal government.

Jennifer provides our clients with health and safety guidance and solutions including, but not limited to, policy and program development and review, training, WSIB claims management, risk assessments, job hazard analyses, inspections, audits and investigations.

Jennifer and her husband reside in Mapleton Township, she enjoys camping and is an avid adventure motorcyclist.
