

Randy Anderson

Randy is a lifelong resident of Atwood. After earning his Business Administration diploma at Conestoga College, he joined what was then SCU Computer Services Ltd. in 1988. SCU Computer Services Ltd. has since become Ward & Uptigrove Consulting Inc.

Randy obtained his Microsoft Certified Engineer designation in 2000. He manages our computer systems.

When away from the office, Randy enjoys being at the cottage and with family and friends.
