Please be advised that from Tuesday May 22 to Monday July 9, 2018 Ward & Uptigrove Wealth Management's office will be undergoing a renovation.

Although our staff will still be working and be available by phone and email during the renovation, we will be operating out of different locations.

If during this time you are required to come to our office to drop something off, pick something up or meet with someone please go to the Independent Accountants' Investment Counsel Inc. office located on the second floor of our building. Our receptionist Lee-Ann Tucker as well as some of our other staff will be working out of this location during the renovation.

If you have any questions about this or any other matter, please let us know.
