## WARD & UPTIGROVE

INTEGRATING ACCOUNTING, WEALTH MANAGEMENT  
& CONSULTING SOLUTIONS

Ward & Uptigrove is the latest local business to contribute to the future North Perth recreation complex, pledging \$175,000 this week. Pictured is Kris Uptigrove, partner with Ward & Uptigrove Chartered Accountants (left) and Mich Landry, president of Ward & Uptigrove Wealth Management (right) presenting the cheque to recreation complex fundraising chair Andrew Coghlin.

The new multi-use facility centrally located in North Perth will be a modern, efficient, environmentally conscious facility that is physically accessible and welcoming for all. It will be situated on a 20 acre site, adjacent to the proposed new public school, in the north west end of Listowel at the intersection of Highway 86 and Gun Club side road.
