

Ward & Uptigrove
Chartered Professional Accountants

Brad Bakker

Brad holds an Honours Accounting degree from Brock University. Following his graduation in 2008, he joined a national accounting firm providing audit and assurance services and earning his CA designation in 2009.

Brad joined Ward & Uptigrove in July 2011 and became Partner in 2019. He provides annual compliance and advisory services for mainly agricultural clients. From tax and estate planning, to government grants, right through to transferring your business to the next generation - Brad provides clients with proactive, timely and relevant planning to help their business take the next step forward.

Brad enjoys good coffee and good conversation, which is most often shared with his wife and three daughters, and is an avid sports fan. He is also an active member in the local and broader church community by providing leadership in various capacities.
